## **MANUAL**

## LINEAR BRAKE (MRCB)

The state of the shipment is like a illustration. The rod is not attached.

The brakes are shipped in a state of the release. Take off brake release bolt (2 bolts) after the insertion with a rod, and attach an attached plug (reference to bellow).

Model	Size
MRCB- 40	R 1/16
MRCB- 50	R 1/16
MRCB- 63	R 1/16
MRCB- 80	R 1/16
MRCB-100	R 1/16
MRCB-125	R 1/8

## **CAUTION**

Never pull brake release bolt when do not insert a rod. Because brakes metal shrinks, brake do not release.
